9-1-8. Vehicle Restoration / Repair Standards.

(A) Permit Required.

- (1) Any vehicle being stored upon a lot for more than 30 days outside a fully enclosed permanent structure for the purpose of restoration or any vehicle that is inoperable and is the primary source of transportation shall obtain a Vehicle Restoration Permit from the Sandy City Community Development Department.
- (2) The permit allows for storage of the vehicle upon the lot for a period of up to six (6) months.
- (3) A maximum of two (2) three (3) month extensions may be granted, provided substantial progress has been made in restoring or repairing the vehicle at each extension interval. A fee will be charged for each extension after the first six months as per the adopted fee schedule in the Sandy City budget.
- (4) Upon the expiration date of any permit extension, the vehicle shall be removed from the lot or may be stored on the lot, provided the vehicle is placed inside a fully enclosed permanent structure.
- (5) **The permit shall be placed on the vehicle in a clear and visible location.**

(B) Number of Vehicle Restoration Permits Allowed

- (1) A maximum of one (1) Vehicle Restoration Permit per lot shall be in effect at any given time for a vehicle being restored.
- (2) An inoperable vehicle that is the primary source of transportation may be allowed a permit on a case by case evaluation of each situation.

(C) Storage and Screening (*must be in place at issuance of permit.*) Any vehicle being restored or repaired upon a lot outside a fully enclosed permanent structure shall be:

- (1) stored on a hard surface on either the driveway in front of a garage/carport or a side yard.
- (2) Vehicles being restored shall be covered with an approved manufactured car cover.

I, the undersigned have read and understand the requirements of this permit
